SUSTAINABILITY WEEK 2026

الجامعة الخليجية
GULF UNIVERSITY

PROUDLY INVITE YOU TO

AGENDA

2026

3rd Edition

Sustainability Week

"Co-innovating, Leading, Sustaining..."

Focusing on SDG 9.5

November 15th – 19th, 2026

15th: The Art Hotel, Amwaj

16th – 19th: Gulf University & Bahrain Polytechnic

5-DAY PROGRAMME

The week at a glance

Innovate. Collaborate. Sustain. — a five-day journey of workshops, panels, expert talks, competitions and community actions, each mapped to specific UN Sustainable Development Goals.

DAY 01

Sunday · 15th November 2026

Advancing Sustainable Futures through Research and Innovation

The Art Hotel, Amwaj

DAY 02

Monday · 16th November 2026

Smart Cities, Innovative Engineering and Digital Transformation for Sustainability

Gulf University & Bahrain Polytechnic

DAY 03

Tuesday · 17th November 2026

Climate Action, Circular Economy Strategies in Design and Manufacturing

Gulf University & Bahrain Polytechnic

DAY 04

Wednesday · 18th November 2026

Community, Social Impact & Environmental Action

Gulf University & Bahrain Polytechnic

DAY 05

Thursday · 19th November 2026

Future Visions & Closing

Gulf University & Bahrain Polytechnic

DAY

01

Sunday · 15th November 2026

Advancing Sustainable Futures through Research and Innovation

The Art Hotel, Amwaj

Morning

EVENT INAUGURATION

Opening Ceremony & Keynote Address

SW2026 Conference / ICSDI 2nd Edition (Day 1)

EXPERT TALK

The Role of Universities in Driving SDG 9.5

Mid-day

PANEL DISCUSSION

Bridging Academia, Industry and Policy for SDGs in the era of AI

Afternoon

WORKSHOP

Design Thinking for Sustainable Solutions

EXHIBITION LAUNCH

Sustainability & Innovation Expo 2026

DAY

02

Monday · 16th November 2026

Smart Cities, Innovative Engineering and Digital Transformation for Sustainability

Gulf University & Bahrain Polytechnic

Morning

PRESENTATION

AI & IoT Applications in Energy Efficiency and Sustainable Built Environments

Mid-day

PANEL DISCUSSION

Green Infrastructure and Resilient Urban Systems

Afternoon

RESEARCH SHOWCASE

Innovative Engineering Solutions for Sustainable Development

COMPETITION LAUNCH

Sustainable Innovation Challenge

Parallel

PARALLEL SESSIONS

SW2026 Conference / ICSDI 2nd Edition (Day 2)

DAY

03

Tuesday · 17th November 2026

Climate Action, Circular Economy Strategies in Design and Manufacturing

Gulf University & Bahrain Polytechnic

Morning

WORKSHOP

Sustainable Materials & Life Cycle Assessment

Mid-day

PANEL DISCUSSION

Industry Perspectives on Sustainable Production & Consumption

Afternoon

HANDS-ON ACTIVITY

Upcycling Design Lab

DEMO-BASED SESSION

From Source to Sea

Demonstrating Water Pollution & Microplastics Impact

WORKSHOP

Living Materials & Urban Biodiversity

Demonstrating Nature-Integrated Technologies

Until 4 PM

COMMUNITY ENGAGEMENT SESSION

Campus Sustainability Awareness Campaign

DAY

04

Wednesday · 18th November 2026

Community, Social Impact & Environmental Action

Gulf University & Bahrain Polytechnic

Morning

COMMUNITY SERVICE

Green Mobility Day

Zero Car Campus Initiative

Mid-day

ON-CAMPUS / FIELD ACTIVITY

Tree Planting & Urban Greening Campaign

Afternoon

EXPERT TALK

Climate Action and Local Community Resilience

PANEL DISCUSSION

Public–Private Partnerships for Sustainable Communities

WORKSHOP

Design for Social Impact

Inclusive Design for Empowerment, Sustainable Living & Food Security Lab Supporting Women and Communities

DEMO SESSION

Healthy Spaces in Action

Demonstrating Indoor Environmental Quality (IEQ) for Well-being

THINK-TANK

Inclusive Innovation Lab

Bridging Research & Technology for Reduced Inequalities

EXHIBITION

Sustainable Solutions for Society

DAY

05

Thursday · 19th November 2026

Future Visions & Closing

Gulf University & Bahrain Polytechnic

Morning

RESEARCH SHOWCASE

From Concept to Impact

Student & Research Projects

Mid-day

COMPETITION FINALS

Sustainable Innovation Challenge Awards

Afternoon

EXPERT TALK

Future Trends in Sustainable Engineering and Design

SESSION

Ethics, Governance & Accountability in Sustainable Development: Building Trustworthy Systems

CLOSING PANEL

Strong Partnerships in Scaling Innovation for Global Sustainability Impact

SPECIAL TALK

Recognition of Excellence in Sustainability & Innovation

AWARDS

Closing Ceremony, Honoring & Awards
